**T**he flowers are in full bloom and it appears that Tylar's pussy has followed suit and opened up for your pleasure! "Very clever, but I don't need the flowers to be on display to spread my legs and give you all a full view of my lady parts! And if you poured me a couple of glasses of wine I'd take it to the next step and let you inside it!"

**B**listering hot Babestation beauty Mia Middleton certainly made quite a splash when she rocked up for her first shoot a few years ago (apart from anything else, the Ed knocked over his mid-morning glass of 'warm Ribena'), and after we ran her in Mayfair 52.10 it quickly became clear that it wasn't only the Ed's trousers that had been impacted by her stunning appearance. So here she is back again, and if possible looking even lovelier than last time. Let's just hope the Ed's hand's a bit steadier this time round...

# Hannah

**O**K so we're about to set a fire in the Paul Raymond offices if it means that Hannah is going to come running to save us with an axe in hand! Most firefighters are supposed to run drills and put their fire equipment on in a flash, but Hannah had other ideas when the alarms went off. I was already fully clothed in my fire gear, so when the syrens went off, I stripped naked while the firefighters frantically put their gear on. I knew it was just a drill and needless to say I put on a well-deserved smile on the firefighters faces. And being the good girl that I am I let a few of them give me a good drilling in their sleeping quarters later on that day! And boy did I enjoy playing with some large hoses!!!!

**Rebecca**

**W**e shot this photo set quite a while ago and it somehow slipped through the net before now. We're not sure how because it was one of our favourite shoots of the year! And there's no need to ask why, just look at the amazing photos and put yourself in our boots, being present while Rebecca stripped off out of the very few items of clothing that she was wearing. "I had a great time and can't wait to do it again!" Bex told us. And we can't wait to have her back either, the Summer does seem like a long way off right now though!

EMILY ADDISON

**W**e love Emily Addison over here at Paul Raymond, and all you have to do is look at her photos to see why! She makes every photo shoot more memorable than the last one and believe us when we say she's got a filthy sense of humour to match her dirty behaviour. I get a real kick out of spreading my legs wide open and pulling my pussy flaps apart for your readers to get a good look. It's such a turn on thinking about all of the guys and girls that will be getting themselves off over me!"

**Rhianna**   
PHOTOS: BB MEDIA

**2** 6 year old Rhianna feels more at home naked than clothed, but she's not one for words! "Actions speak louder than words right? And hopefully these photos will do too." OK, we'll leave at that then! "I hope your readers like them."

Considering how elegantly beautiful Abbie is, it's quite surprising to see her getting her kit off in the less than glamorous surroundings of our boiler room. We had planned the shoot for the company boardroom with Abbie doing the saucy secretary routine but unfortunately it was double booked. So being the seasoned professionals that we are, we quickly improvised on the location and the theme.

"I don't mind, I'll strip off anywhere!" Abbie reassured us when we informed her of the sudden change of plans. "I've done it in much seedier places. A few years ago I worked as an air hostess. I'd just landed back in England and was in a rush to meet a friend so I thought I could save time by getting changed in my car in the airport car park. Now I've only got a small car so I thought if I had the boot open no one would see me. How wrong I was. I'd just stepped out of my hostess uniform and was standing there adjusting my knickers as they had got wedged in my slit, when the engine of the car right next to me started. I turned round in horror to see an old couple inside it looking in my direction. I was frozen to the spot but luckily the couple drove off rather quickly!" ♣

Our records tell us it's been just one issue since we last caught up with Welsh wonder Emma Green in all her fabulous curviness, which is quite long enough, don't you reckon? So, what's she been up to in all that time – is it our imagination or is she looking more than a little sun kissed? "I should hope so! The weather here has been pretty good and given me plenty of opportunities to work on my white bits, which always seems to arouse some interest among the neighbours. Still, if people like looking at me in the nude, who am I to complain?" Well, we think it's absolutely bloody disgraceful!
